

# China Business Support Services – Holding your hand in China

Our service is designed to underpin your day-to-day operations in China and avoid pitfalls that can beset the unwary caused by cultural or language differences. Working with a bi-cultural team who understand every aspect of doing business in China, you will find that increasing your presence and success in China is no longer a stressful experience.

## What our clients say:

"China Business Solutions helped with the set up of a Representative Office in Shanghai and liaised with all the relevant Chinese authorities and made this happen for us in a short timeframe. They continue to assist us with HR and legislative issues and are seen as a valuable part of our business." *Derek Hickey - Sourcing Manager, Aztec Global Sourcing*

"China Business Solutions understands the nuances and subtleties required to make any business and social interaction with the Chinese successful. It's good to have someone like that in your corner." *John Moore - CEO, Antonov Technology*

"China Business proved so successful in attracting excellent candidates for us, we ended up hiring more than we'd originally planned." *Dr. Peter Poon - Chairman, Romax Technology*
